

This is to certify that:

Electrical Management Services Ltd

Lowbrook House, 117 Feltham Road, ASHFORD, Middlesex, TW15 1AB

has been assessed against the requirements of the NICEIC Rules Relating to Enrolment for electrical work in areas where flammable or explosive atmospheres may occur. The installation categories for which the contractor has been assessed are as follows:

Preparation, Installation, Inspection, Testing and Maintenance of Electrical Installations in Hazardous Areas consisting of:

Explosive Gases and Vapours Filling Stations

Continuing enrolment is subject to the business continuing to comply with the above Rules, which will be monitored by the NICEIC during surveillance visits.

Chief Operating Officer

Enrolment No: 012395.000
Date: 18 August 2003

NICEIC

The above business has been assessed as having the technical capability to carry out electrical work in areas where potentially explosive atmospheres may be expected to occur in the form of explosive gasses/vapours or combustible dusts. The current registration status of the holder of this certificate may be confirmed by accessing the NICEIC web site at www.niceic.com.

An Approved Contractor is entitled to use and display this Enrolment Certificate, or any copy, only whilst registered on the Hazardous Area Scheme. When an Approved Contractor is removed from the Register, they shall immediately destroy this certificate and any copies.

This certificate is the property of NICEIC Group Ltd and an Approved Contractor shall, at all reasonable times, be prepared to produce it for inspection.
